Star in the Acclaimed Collection of Stories*

LOS ANGELES, April 21, 2010 — **Nora Ephron and Delia Ephron's** *Love, Loss and What I Wore*, an intimate collection of stories covering some of life's most poignant moments and their corresponding wardrobe, opens tonight at the Geffen Playhouse's Audrey Skirball Kenis Theater. The evening of vignettes, which is based on the best-selling book of the same name by **Ilene Beckerman** as well as personal reminiscences from the Ephrons and their friends, features a rotating cast of five actresses who share tales that every woman can relate to. *Love, Loss and What I Wore* begins in previews on May 11 with an official press opening on **May 13, 2010** and is set to close on **July 4, 2010** with a switch in cast at the four-week point.

The Geffen Playhouse's first cast (May 11 – June 6) includes **Caroline Aaron**, widely recognized for stints on Broadway as well as as Woody Allen's sister in *Crimes and Misdemeanors*, Emmy Award winning actress **Carol Kane** best known for her role on *Taxi* and her recent Broadway stint in *Wicked*, **Natasha Lyonne**, most recognized from her films *American Pie* and the *Slums of Beverly Hills*, **Tracee Ellis Ross**, Groundlings grad and television regular, and film actress/producer **Rita Wilson** who recently finished the role of Roxie in Broadway's *Chicago*. Kane, Lyonne, Ross and Wilson have all appeared in the lauded New York production of *Love, Loss and What I Wore*; Aaron is making her *Love, Loss* debut in the Geffen Playhouse production.

"We're thrilled to be opening *Love Loss and What I Wore* at the Geffen Playhouse," said creators Nora Ephron and Delia Ephron. "We grew up in Los Angeles, and all our early clothing memories happened there, like the matching outfits our mother bought us – black velvet dresses with lace collars, bathrobes to wear over our swim suits, ruffled skirts with midriff tops, and the pink prom dress we both wore, four years apart, to our Beverly Hills High School proms."

*Love, Loss and What I Wore* is simultaneously running off-Broadway where it is produced by **Daryl Roth**. Originally directed by **Karen Carpenter**, the show opened in October 2009 and is still playing to sold-out houses. Cast members have included Samantha Bee, Kristin Chenoweth, Tyne Daly, Janeane Garofalo, Michele Lee, Natasha Lyonne, Jane Lynch, Rosie O'Donnell and Rhea Perlman. **Jenny Sullivan** has signed on to direct the production for the Geffen Playhouse. Staged with a focus on storytelling, the actresses sit side-by-side with script in-hand, deftly guiding the audience through an evening of humor, nostalgia and, of course, fashion.
